Allah Knows My Heart

Sometimes we feel happy, sad, worried, or excited. Allah knows all our feelings, even when we don't tell anyone.

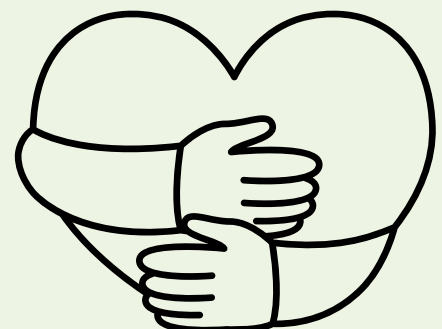

Write about a time when you felt HAPPY

Write about a time when you felt EXCITED

Write about a time when you felt SAD

Write about a time when you felt WORRIED

When no one else understands how I feel, I can remember that Allah is Al-Aleem (The All-Knowing). This makes me feel:

Prophet Musa (as) and Khidr (as)

Draw lines connecting each action with its hidden wisdom.

**Made a hole in
the boat**

**The boy would
trouble his
parents with
wickedness**

Killed a boy

**Safeguard the
hidden treasure
for the orphans**

**Repaired the
wall**

**Save the boat
from the tyrant
king**

The story of Prophet Musa (as) and Khidr (as) is mentioned
in Surah _____.

Allah is Al Aleem

“Above everyone who has knowledge there is the One who is all knowing.” (Surah Yusuf: 76)

There are different levels of knowledge. On each step of the staircase below, write examples of what might be known at that level.

What only Allah knows

What the Prophets knew (through Allah's guidance)

(e.g, stories Allah revealed to them)

What the scholars/scientists know

(e.g., how medicines work, how to build tall structures)

What my parents/teachers know

(how to drive a car, cook a meal etc)

What I know

(write 2-3 things you know, e.g., how to read, do multiplication etc)
