# Allah is Al Baseer!

Can you see through the wall? Can you see the teeny tiny germs without a microscope? Can you see what's happening in some park in some other country? No! Our eyes can only see what's in front of us, and they can only see some things. But Allah can see everyone, everything, everywhere, all at the same time. He is Al-Baseer.

When we remember that Allah is Al-Baseer, it helps us make good choices even when no one else is watching.

**Color the places where Allah can see you:**

Under my blanket at night

In a submarine, at the bottom  
of the ocean

In a spaceship near the moon

Under the table

Inside the closet

Inside my secret tree house

In a deep, dark cave in a  
rainforest

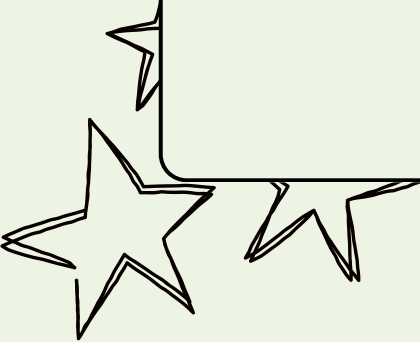

Under my bed

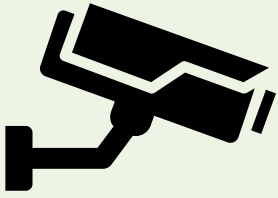

In the garden shed

Behind the bookshelf
