# Lost in a Maze

Help the man find his way out of the cave

# Allah is Al Mujeeb

Have you ever talked to someone who wasn't really listening? Maybe your friend was playing a game and didn't hear you, or your parents were busy cooking dinner and said "just a minute" but then forgot? We all get distracted sometimes.

But Allah is Al-Mujeeb! He always listens and responds. He never forgets and never ignores. He responds to all of His creation, at all times, no matter how many people are calling upon Him at once!

Sometimes, we ask Allah for something but we don't see the answer right away. We might wonder if He is listening, but He always is! Our beloved Prophet Muhammad (sa) taught us that Allah answers our duas in three special ways:

1. Sometimes Allah gives us exactly what we asked for right away.
2. Sometimes Allah saves our dua as a special gift waiting for us in Jannah. What we ask for might not be good for us right now, so instead of giving us something that might hurt us, Allah keeps an even better reward for us in the Hereafter.
3. Sometimes Allah protects us by removing a difficulty or problem equal to our dua. We might not even know about the trouble that was coming, but Allah shields us from it because of our dua.

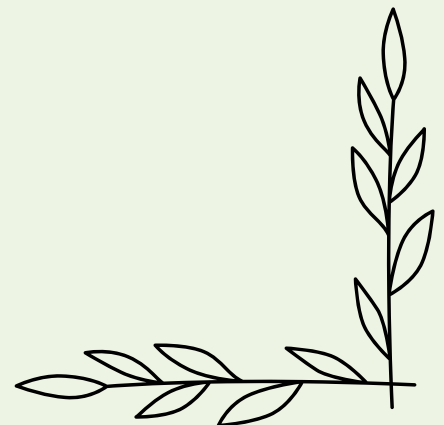

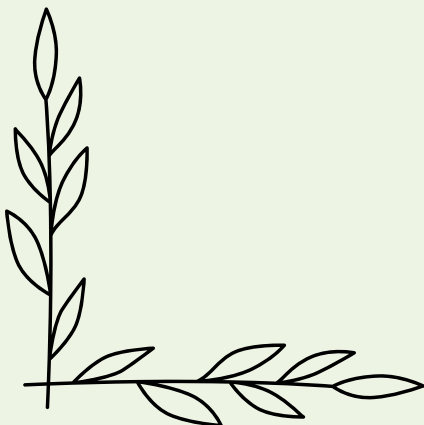

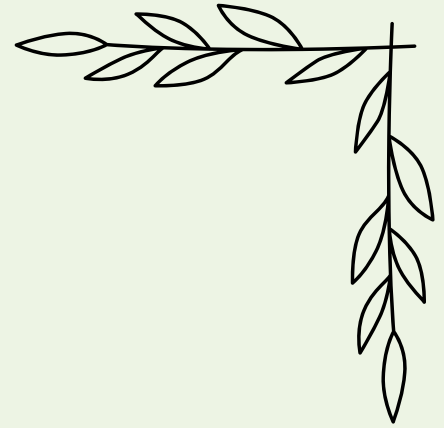

When the Sahaba learned about this they said: "Then we'll ask for more and more!" Prophet Muhammad (sa) replied: "And Allah has even more to give!"
