Allah Loves You!

Think about how much your parents love you - they take care for you, make sure you have the best they can provide, and give you warm hugs.

Allah's love is even bigger and more amazing than that! He is Al-Wadood. It means that He loves us in the most perfect way possible.

Look all around you. Can you find at least 3 ways Allah shows His love for you? It might be in the beautiful nature He created, in how your amazing body works, in your cozy home, or through the kind people in your life.
