Allah - The Protector

There are so many ways Allah protects us. Can you think of and write down some of these ways? (For e.g. immune system, parents, angels)

A Dua for Protection

Prophet Muhammad (sa) taught us special duas to seek Allah's protection. These powerful duas can be your special shield against harm and worry!

Let's memorize one of them:

بِسْمِ اللَّهِ الَّذِي لَا يَضُرُّ مَعَ اسْمِهِ شَيْءٌ فِي
الْأَرْضِ وَلَا فِي السَّمَاءِ وَهُوَ السَّمِيعُ الْعَلِيمُ

**"In the name of Allah, with Whose name
nothing can harm on earth or in the
heavens"**

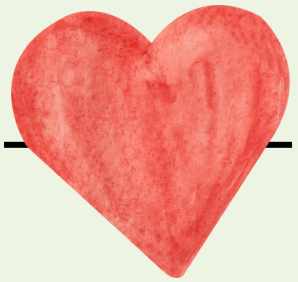

Abu Dawud 4/323

**Recite this dua three times in the morning and three times in
the evening to activate your shield**

Allah Protects Me!

Sometimes in life, we feel scared or worried. But Allah is always watching over us and protecting us in beautiful ways. Think and write/draw about a time when you felt protected:

- What made you feel safe?
- Did you remember to ask Allah for help?
- How did asking for protection make you feel?
