A Beautiful Gift

During the miraculous Night Journey, Allah gave Prophet Muhammad (sa) the most beautiful gift - our five daily prayers! They became obligatory (means you must pray them!) on that journey.

Salah is a special gift because we talk to Allah in it and it comforts our heart. This is why Allah told us to pray whenever we want His help (Surah Baqarah 2: 45).

Prophet Muhammad (sa) described Salah as the coolness of his eyes. It means that Salah made him very happy and peaceful.

Reflection Question

Does Salah make you happy? Or does it feel like a big task or a burden?

What can you do to make Salah something you look forward to?

Track your prayers each day by filling in the Salah chart on the next page
