

# Arrogance Alert!

**Read each scenario carefully. If someone is being arrogant, write A in the box. If someone is being humble, write H in the box.**

Sarah got the highest grade in the math test. She walks around the classroom saying, "No one's as smart as me! I'm the best!"

Ahmed scored a goal in the soccer game. His teammates congratulate him, and he says, "Thank you! We all played well together as a team. I couldn't have done it without your passes!"

When Fatima accidentally knocked over her friend's water bottle, she said loudly, "It wasn't my fault! Your bottle was in a stupid place anyway. You should watch where you put your things!"

Sarah saw her friend struggling with a math problem. She offered to help her and showed her how to do it.
